Rt. 33 • Tilghman Island, MD

Tilghman-On-Chesapeake Yacht Club looks like a movie set, but its real! The yacht club is a vantage point for great panoramic water views and serves as a beautiful landmark for boaters as well. TOC's waterside pool is the most perfect setting with scenery that includes nature, cruising boats, and majestic gliding skipjacks too. You'll love it here!

Our marina is an absolutely perfect boating and fishing location. Come join us for a visit soon.

Fall Into Tilghman Island ...

Once again we had the pleasure of the **National Radio Controlled Championship** being held here at TOC. It was our "second successful regatta here this Fall." Folks are still talking about it! Homeowners Elaine Hepkin and Dave Branning hosted the Santa Barbara National Radio Controlled Championship at TOC! We had 23 boats and 50 people here from California, Wisconsin, Illinois, Massachusetts and the mid Atlantic area.

TOC was a perfect venue for photographer Jim Flach who captured the excitement and the people. TOC shined for all our visitors!!

SKIPJACK REBECCA T. RUARK
THE OLDEST SKIPJACK - 1886
 Sails Spring through December

Climb aboard history. Sailing into her 3rd century, REBECCA welcomes you to sail back in time. She was designated a National Historic Landmark in 2003, and is the oldest working skipjack of a vanishing fleet.

Sail with 5th generation Tilghman Island skipper Capt. Wade Murphy, Jr., for a hands-on sailing experience while hearing stories of Chesapeake ecology, maritime history, nautical anecdotes, and even dredge for oysters. USCG certified for 49 passengers.

In the late 1890s hundreds of skipjacks plied the Chesapeake Bay to dredge for oysters. Today only a dozen working boats remain. For sail information call 410-829-3976 or visit www.skipjack.org.

TOC resident friends go well together watching ball games, have parties in the Yacht Club's Old Bay Room. It's fun there!

Christmas Ornaments are for sale in our Marina office...

These ornaments were made using shells from Tilghman Packing Company, exactly where our Marina office is located. "Tilghmaid," was a name that was well known up and down the Bay. The cost of the ornaments is \$20. proceeds go to The Tilghman Watermen's Museum. Local residents got together and formed this charitable organization. The ornaments make a great gift. Get em while they are hot! *Museum is Open Sat. and Sun. 10am to 3pm! Tilghman Island Rd.*
